General Conditions:

All wastes must meet US Environmental Protection Agency and Wisconsin Department of Natural Resources regulations, Barron County Flow Control Ordinance provisions and Waste-to-Energy facility requirements. Barron County shall make the final determination as to the acceptability of waste. All loads must be covered while on public roads in Barron County.

Trucks and trailers shall be weighed unless minimum load is clearly obvious to staff. Mixed loads will be charged at the highest rate or pro-rated when possible. The customer is responsible for placing different materials in various locations as directed by staff.

The customer is responsible for unloading of material. An additional fee of \$50.00 may be charged for unloading materials. (The attendant may assist by pulling loads off with the loader if time allows and the customer assumes responsibility for any and all damages that may result.) The customer is responsible for any damage they do to their own vehicle, or any other property, public or private.
